

these millionaires over 5 years could be 50 times as large as the benefit of the child tax credit for a typical low- or middle-income family. The bill spends more on tax breaks for millionaires than on childcare assistance, education, seniors, and even more than all of the healthcare provisions combined."

This is from one of our Democratic colleagues. If one of our Democratic colleague is stating this, then we know that there is bipartisan opposition to this bill, a bill that we know is going to kill every single American's American Dream. This is a socialist nightmare that we can simply not afford.

One in 25 people in this country is here illegally, and this bill will create a pathway for amnesty and all of the social welfare programs that go with it. We cannot afford this. We cannot agree to bankrupt our children and our grandchildren because of a political agenda. It is unfair. It is not right. It is un-American. I urge all of my colleagues, consider your children, your grandchildren.

Madam Speaker, 10 years ago, I, myself, was homeless, and under this bill, had these programs been in place, I probably would have never been able to be standing here today because the American Dream is bankrupted under this bill.

Madam Speaker, I urge every single one of my colleagues, think with your hearts and your heads rather than the political agenda that you have been tasked with executing. Vote for the American people.

Mr. MCGOVERN. Madam Speaker, I yield myself such time as I may consume.

Madam Speaker, you have to love these Republicans. They get up and talk about everything but what is in

this Build Back Better bill. When all else fails, they get out and they bash immigrants again, blame immigrants for everything.

Having a tough time at work? Well, blame an immigrant.

Having a problem with your marriage? Well, blame immigrants.

But the bottom line is, they come to the floor and they tell us what they are against but they don't tell us what they are for. This bill includes an extension of the child tax credit, which has already reduced child poverty in this country by 30 percent. They are against that? We are for that.

This bill actually caps the cost of insulin to \$35 a month. Talk to your constituents who have to rely on insulin to save the lives of their children. I mean, really? You are against that? We are for that.

We actually care about our children's future. That is why there is money in here to deal with the climate crisis; while my friends deny that there is even a climate crisis to be concerned about.

So give me a break. Give me a break. This is a statement of our values. This is what we are for. We don't hear what they are for. All we hear is what they are against.

Madam Speaker, I yield 1 minute to the gentleman from Florida (Mr. SOTO).

Mr. SOTO. Madam Speaker, headline: Democrats deliver for the American people again. Democrats deliver for Central Florida, again. Lowering prescription drug prices and capping costs for seniors. Extending child tax credit payments. Paid family leave and lower childcare costs for Central Florida families.

Providing nearly 1 million Floridians with an expansion of the ACA, boosting affordable housing, immigration re-

form, the largest effort to combat climate change in history.

And unlike the GOP tax scam that busted the deficit by \$400 billion and \$4 trillion in debt, we pay for ours with major corporations, and the wealthy paying their fair share.

Madam Speaker, the Republicans are doing nothing but divide. The Democrats are delivering for America.

Mr. RESCIENTHALER. Madam Speaker, I yield myself the balance of my time.

Madam Speaker, with record high inflation and gas prices, supply chain shortages, and what is going to be the most expensive Thanksgiving on record, Democrats should focus on addressing real economic crises that are facing real Americans and real American workers every day. But instead, this bill before us would actually double lower- and middle-income earners chances of being audited. It would make it more expensive for them to heat their homes and fill their gas tanks, and it will actually drive businesses and jobs overseas; further damaging our economy.

Democrats are extending tax breaks in this bill, extending tax breaks for millionaires and billionaires and jamming through far-left radical policies that will only drive prices higher and make our paychecks lower.

If President Biden and congressional Democrats get their way, average Americans will be pinching pennies while our country's coastal elites will be legally evading taxes and getting tax subsidies and tax breaks to put another Tesla in their five-car garage.

Madam Speaker, for that reason, I urge my colleagues to vote "no," and I yield back the balance of my time.
